

TT-704 Ecopower

KEEPS YOUR ENGINE CLEAN, ECONOMICAL AND IN TOP CONDITION

- ✓ Prevents sputtering, knocking and faltering.
- ✓ Prevents sulphur deposits.
- ✓ Maintains the injector spray pattern.
- ✓ Reduces fuel consumption and harmful exhaust fumes.

Technical Info

- Composition: mixture of aromatic hydrocarbons.
- Physical state: amber coloured liquid.
- Odour: aromatic.
- Flashpoint: 65°C.
- Shelf life: 36 months, keep dry, cool and frost-proof.
- Safety measures: consult the Safety Data Sheet.

Packing

TT-704 Ecopower - bottle 250ml

741203118

Product

Characteristics

- A universal fuel additive, without alcohol, to keep any engine clean, economical and in top condition.
- Safe for catalytic converters and can be used in both petrol and diesel engines, suitable for high-pressure pumps.

Applications

- prevents and removes non-volatile deposits, water, resin, sulphur deposit and carbon
- prevents filthy and clogged injectors
- improves and maintains the injector spray pattern
- prevents surging and hesitation
- extra lubrication of the injection systems and the latest commonrail systems

Use

Add every 5000 km to the fuel tank before refueling.
